

A man goes back in time to prevent himself from learning how to time travel so he

Date..... Time.....

Departure from..... can live a 'normal' life with

Destination..... his kids, but they then all

Odometer reading..... learn how to and have to

Total mileage..... remind/teach him of his

Route taken..... desire to slumber in ignorance at the cost of their timeliness being altered and the

What I/we did..... displacement going haywire

Food & drink..... what is the main timeliness?

Main theme: Self Realization & Accountability / Responsible id

Where I/we stopped/stayed..... Current time computations & space & reveal hopes & current state of the cinema

Places & things for next time..... Genetic memory & Strand Reefs

Self Sex

Survive share "Sure"

Thrive
